Colorado Human Resources Conference (CHRA) 2012

Info Cubic is excited to be an exhibitor at the 9th annual CHRA conference held here in Denver, Colorado, January 20, 2012. This is the largest HR event held in Colorado and it will be Info Cubic's third year participating as a vendor.

The conference brings in hundreds of attendees, the 2011 conference saw over 400 people, and always offers a great line up of keynote speakers and exhibitors. Historically, this event has been a great way for Info Cubic to interact and network with HR professionals and gain a greater presence and understanding of our local communities.

Check January's newsletter to find out how the conference went and what Info Cubic gained from the experience!
