

Info Cubic is Denver Metro Chamber of Commerce's Minority-owned Business of the Year

The award honors Info Cubic's entrepreneurship, sustainability, productivity and effort as a minority-owned business. CEO Justin Den, and VP Dan Mayer received the award in front of a sellout-crowd of over 500 business leaders on May 4th at the Denver Hyatt Regency. Justin and Dan thanked the Chamber and attending businesses for their support. Justin addressed the crowd "I am so proud to be part of this community" and to his employees, with a big smile, "We made it!"

New Product Releases

Info Cubic is pleased to announce that we are now offering saliva drug testing and saliva alcohol testing through our partnership with OraSure Technologies. OraSure Technologies develops, manufactures and markets point-of-care, oral fluid specimen collection devices.

Intercept® Oral Fluid Drug Testing System and Q.E.D.® Saliva Alcohol Tests are two products that we are excited to make available to our client base. The benefits to onsite saliva collection are many: they are ideal for remote locations, post accident, and random screening. Gender issues are eliminated and no messy urine to deal with. Privacy is not compromised as the donor self collects, less room for contention. Adulteration is virtually impossible. Since the collection is done onsite, employees are not leaving the job site, saving time.

In addition, Info Cubic is now offering the much needed Commercial Driver's License Information System, commonly referred to as the CDLIS. This is a search that is often needed in the transportation industry and shows drivers license history.

The purpose of the CDLIS is to keep a record of each driver nationwide, and to ensure that only one driver's license and one record for each driver is available. The report will show commercial driver identification information, commercial driver's license information, and driver history information.

Please call Info cubic at 877-360-4636 for additional information.

Info Cubic Closed on May 30th, Memorial Day

Info Cubic will be closed on Monday, May 30th in observance of the Memorial Day holiday. We will reopen on Tuesday, May 31st.

Have a Question For Us?

Have a question for us? The next time you are logged into your account, you will notice a new green 'HELP' button on your home page. By clicking this you will be able to send a question ticket directly to our customer service team who will then follow-up with you to assist. This is an exciting new option we hope you will find helpful.
